Biohazardous Waste	

- \* Tires, vehicle batteries, freon appliances, scrap metal and electronics will be collected at the Westmoreland Fairgrounds on **September 13 – 8:30 a.m. Noon** – one month prior to the HHW collection.
  - **There is a fee for tires, freon appliances and electronics. This fee is NOT covered by the HHW sponsorship.** Call Westmoreland Cleanways at 724-836-4129 for additional info.
- \*\* Latex paint can be dried by pouring over an absorbent substance, such as a clay based cat litter or shredded newspaper. After the paint has dried, place in a plastic bag and dispose of with your regular trash.
