Dear Claridge Residents,

The Penn Township Commissioners are attempting to acquire grant money through the Community Development Block Grant Program (CDBG) of the Federal Government. In order to receive the grant money, surveys must be completed to determine if the area qualifies based on income requirements.

If the grants are received, the Township will utilize the money to implement stormwater control measures and roadway paving for the residents of the neighborhood.

If you have questions about the program or need help filling out the surveys, we will be at the Claridge Volunteer Fire Department on Monday, July 13, 2020 from 6:00pm to 8:00pm. You may also mail back the survey in the enclosed envelope. Please return them by July 17, 2020.

Your participation with these surveys is essential and appreciated.
